

Reliability Ride 2012

This was another record year with 209 total entries (up from 166). I would like to thank the riders for all the support and making the event a successes.

Special thanks go to Mike Farthing, Phil Norfolk, Ian Hirst and John Baxter for without them the event would not have worked. A donation will be made to the Cyclist Defence Fund.

Good luck to those riders intending on completing all five in the Seacroft Reliable Five. We hope to see you all again next year.

Antony Brumby- event organiser
