Thanks to all riders who supported the event. There was a record turnout thanks to the bright sunshine and dry roads, although it was very cold. I understand that some riders had trouble with icy roads at the top end of the 80K course and others succumbed to early season legs – commiserations to these riders. A small number of riders were observed finishing from the wrong direction; the correct route from Aberford should be via Lotherton and Sherburn, which is about one mile further than via Hook Moor and Micklefield – please note for future.

Thanks for their assistance at the event to Mike Farthing, Phil Norfolk, Ian Hirst, Mandy Barnes and Steve Barnes. A donation has been made to **The Cyclists Defence Fund** from the proceeds.

Good luck to those riders intending completing all five trials in the Ron's Reliable Five series. We hope that you will all support the Seacroft Wheelers reliability trial next year, provisionally on the last Sunday of January 2011.
