This was another record year with 166 total entries (up from 120). I would like to thank the riders for all the support and making the event a successes. I apologise to anyone who did not get a certificate I will send anyone how finished and would like one, (please send your request along with your name and address to antonyforever@hotmail.co.uk).

Special thanks go to Mike Farthing,Phil Norfolk,Ian Hirst and Mandy Barnes for with out them the event would not have worked. A donation will be made to the Cyclist Defence Fund.

Good luck to those riders intending on completing all five in the Ron's Reliable Five Series. We hope to see you all again next year.

Antony Brumby- event organiser
